STIG
and The Rise of
South Dakota State Football
Tanner Castora

VERY SPECIAL ACCOMPLISHMENT

In this 30th year a very special accomplishment has occurred outside of my business but related to my family that I wanted to share with everyone...my son, Tanner, wrote and self-published a sports book. Couldn't be prouder and happier for him, so my small way of helping is by promoting his new book, Stig and The Rise of South Dakota State Football.

After taking his first broadcasting job in Sioux Falls, SD, he covered the South Dakota State University (Jackrabbits) football team, and their former legendary coach, John Steigelmeyer. Tanner's book is about the touching and inspiring story of the rise of this football team who was led by this special and unique coach.

If you are into a good sports read about an amazing coach and how he built a program to national prominence, not by a typical football coaching style one would expect, you will truly enjoy the book.

THERE ARE TWO WAYS TO ORDER THE BOOK:

1. Tannercastora.com
2. Amazon books
(type in "Stig and" it will pop up)

Thank you! Jeff Castora

A WORD FROM THE PUBLISHER

This is my 30th year publishing the calendar, where has the time gone?!

I have been blessed to have met and done business with many business owners over those years. Without their support and belief in the calendar it would be next to impossible to have mailed the calendar out for the past three decades. I also don't want to lose sight of how important YOU, the user of the Town Planner, is!

I hope that people realize that keeping and using the calendar really does make a difference in their community. How, you might ask? Well, most of the businesses in the Town Planner are smaller businesses where the owners and employees live and grew up, thus buying from them helps them remain in business, and puts money and support back into those same communities.

THANK YOU ALL, from the bottom of my heart, for supporting the Town Planner and may there be many more years of a successful LOCAL Town Planner calendar.

Enjoy your 2026 Town Planner and always feel free to reach out to me at **440-846-3633**.
