YOUR COMMUNITY CALENDAR

Dear Parents and Community Members,

The North Ridgeville City School District proudly serves nearly 5,000 students across five buildings, each designed to nurture the unique developmental stages of our learners. These include the Early Childhood Learning Community (preschool and kindergarten), Liberty Elementary (grades 1-2), Ranger High-Tech Academy (grades 3-8), North Ridgeville Academic Center (grades 3-8), and North Ridgeville High School (grades 9-12).

Our commitment to excellence is guided by our vision, mission, and core values. As an innovative and collaborative district, we place a strong focus on the holistic development of every child, empowering them to design their future. We are proud to be Ranger STRONG, living out the values of Service, Teamwork, Respect, Ownership, Necessity, and Goals in everything we do.

As our district continues to grow and evolve, we remain dedicated to providing the best educational experiences for our students. Our diverse range of high-quality academic programs and extracurricular opportunities ensures that each student can explore their passions and achieve success on their own path.

The upcoming construction of a new high school marks a pivotal moment in our district's future, enhancing our ability to deliver exceptional education. While this process will take time, we are working closely with our architecture and construction teams to keep

the community informed every step of the way. For the latest updates, please visit the construction website, conveniently linked on our homepage at NRCS.net.

If you have any questions, concerns, or ideas you wish to share, please reach out to our Communications & Marketing Supervisor, Brooke Roshong at brookeroshong@nracs.net.

Sincerely,

Roxann Ramsey-Caserio
Superintendent
