NORTH ROYALTON 2025

Mayor Antoskiewicz

***Your Park... Your Playground
More Fun Than Ever Before!***

Mayor Antoskiewicz

Greetings and welcome to the 2025 Edition of the Town Planner. I am Larry Antoskiewicz, Mayor of the City of North Royalton. We find a New Year upon us, full of endless possibilities and goals. Much like residents I, too, have New Year's resolutions when it comes to plans for our community. I then take these ideas and work with my staff each year to put them to pen and paper and, ultimately, into fruition.

Though we are ever growing, changing and accomplishing new goals, North Royalton still remains a small hometown full of neighbors who genuinely have an interest in one another and gathering together regularly to celebrate community pride.

One of the places residents gather most is our Memorial Park, which, as you may have noticed, has been one of my top goals as Mayor. Nestled right in City Hall's backyard, it's one of our community's treasured gems. Nearly 10 years ago, the playground was completely upgraded. To build upon that momentum, in 2021 we completed a Memorial Park Master Plan that we use as a blueprint in guiding any enhancements, continuing to evaluate and look at every single component to try to reach the park's full potential. I take the plan seriously, never shelving it, but systematically tackling projects the plan identified one by one. In 2021 and 2022, we replaced the pond bridge with a design that accommodates heavy equipment with future concerts and events in mind. With that, we added decorative rocks and landscaping to beautify the pond's shorelines. We completely razed and rebuilt the upper pavilion, which is used extensively each year by residents for celebrations and gatherings. Another goal I plan to tackle in the future is completely replacing the lower pavilion by the pond with an all-season shelter that includes restrooms. Again, encouraging more opportunities for our residents to make memories and gather with their neighbors, friends and families, while also beautifying our municipal assets. In the meantime, we will provide the ability to conveniently reserve both of our pavilions online on our website early in the New Year.

In 2023, we unveiled our Splash Pad and shade structure, which has been a huge hit with our youngest residents. That same year we added on to our asphalt path, looping it around the pond and lawn to create another way to passively enjoy the park and pond. This year, in conjunction with the North Royalton City Schools, we completely refurbished the six tennis courts. In addition to this project, the City also completely upgraded one basketball court and transformed another into two dedicated pickleball courts, due to the growing popularity. We also created a multi-use space on the back two tennis courts, which are also lined with four additional pickleball courts.

Speaking of gathering together in the park, please mark your calendars for our upcoming 2025 events, which take place at Memorial Park or on our City Green. These include the George Modock Jr. Memorial Fishing Derby on June 6; two movie nights June 13 and July 18; Parkapalooza I on June 21; Touch-a-Truck/National Police Night Out on Aug. 5; Community Car Show with BlueLine Classics on Aug. 9; Parkapalooza II on Sept. 20; Halloween Madness and Trick-or-Treat Street on Oct. 18; the annual Health and Family Expo/Bear Run, in conjunction with the Schools, UH and Southwest General, on Nov. 1; and the Holiday Lighting Ceremony on Nov. 30. Our Events Committee aids in planning and executing each one, so a big thank you to them! Events are subject to change, so please keep that in mind. We announce our events on our Facebook page, monthly City Newsletter and our Website calendar. We encourage all residents and businesses to sign up for our monthly newsletter at northroyalton.org/newsletter

As you can see, together we can accomplish everything we set our sights on, and that's what I plan to keep doing in the New Year here at our park, our events and throughout all areas of our community!

Sincerely, *Larry Antoskiewicz*

Mayor of the City of North Royalton

Memorial Park Upgrades, the majority of which were part of 2021 Memorial Park Master Plan:

1. Pond bridge replacement in 2021-2022. Accommodates equipment for future concerts/movie nights. Decorative rocks and landscaping added to beautify.
2. An asphalt walking path around the park and pond, completed in 2023, provides another opportunity to passively enjoy the park.
3. Playground was completely enhanced in 2016 with structures for 2–5 year olds and 5–12 year olds. Shaded tables also added nearby.
4. Memorial Park Splash Pad and nearby shade structure opened for 2023 season.
5. Pavilion One was completely rebuilt and reopened in 2022. Both pavilions will be bookable online for the 2025 rental season through City website..
6. Two existing volleyball sand courts.
7. City completely refurbished one basketball court in 2024.
8. City added two dedicated pickleball courts in 2024.
9. All six tennis courts were completely replaced – in conjunction with the North Royalton City Schools -- in 2024. The City lined the two back tennis courts into four pickleball courts to provide a multi-use in 2024.
10. Future goal includes transforming Pavilion Two into an all-season shelter, complete with restrooms.
11. In addition to these projects, the City has also added 50 trees to provide additional tree canopy throughout park.

CITY OF NORTH ROYALTON

COUNCIL PRESIDENT **PAUL MARNECHECK**

Hello,

I hope 2025 is both enjoyable and productive! If there's an issue you'd like to discuss in more detail or a matter you'd like to bring to my attention, please contact me at CouncilPres@NorthRoyalton.org or 440-728-4674. You can also scan the QR code at the bottom to join my newsletter distribution list.

As I write this in the Fall of 2024, I believe we are laying the foundation for a great 2025. Predicting the future is always a risk! As we know with local weather, you may be reading this wearing snow boots or flip-flops!

Hopefully, we are moving closer to the realignment of the Ridge/Royalwood/Julia intersection. This project is something I have been a passionate advocate for since I became Council President in 2020. It seems like only yesterday.

Currently, a few ambitious projects are working their way through the City process. There is a nice symmetry in working on a new Safety Town and a new Senior Center. I know these two additions to our community will only continue to make North Royalton a great place to grow up, raise a family, and retire.

There have also been talks of a new design for our City Green. This is a discussion I truly enjoy, as it is such a focal point, both visually and emotionally, of our community.

Additionally, a few business projects are percolating. I am eager to see how our business community complements and strengthens our community spirit.

While I do not know the challenges and conditions we are facing when you read this, I know that we will get through them together as a community.

Please know how thankful I am to be able to play a role in shaping North Royalton's future.

Onward,
Paul F. Marnecheck
Council President
The City of North Royalton
