December 2024

To The Families We Love Being a Part of,

The 2025 Town Planner calendar marks our 39th year of consecutive publication. We are so fortunate to be able to serve you all these years. Not many publications, or any company for that matter, enjoys the lengthy tenure as we have.

We believe our appreciation comes from serving families to the best of our ability. We started out initially with a simple two-color wall calendar and have grown to now printing millions of calendars each year. Over the years we have added to our printed wall calendars with the same level of information and savings on our website, weekly newsletter and mobile app.

We certainly would be remiss if we did not also acknowledge two other legs of our success. Our local sponsors see Town Planner as the connection to local families in a trusted way. Never any fake news found in our publications but rather local events you can count on for entertainment and enjoyment for your family. We express our gratitude to our sponsors who have trusted Town Planner with their image and advertising effectiveness, most of our sponsors are multiple year sponsors given the rate of return they experience with their advertising dollars and Town Planner.

And finally, we need to acknowledge our staff at Town Planner who continue to excel and give their utmost effort and energy to make a successful publication for all to enjoy. Without their efforts we simply could not exist.

Please welcome two of our newest local ad consultants below. Bob and Elizabeth stand ready to serve your promotional needs in 2025 and beyond.

We love being part of the family

We love it when kids use stars and highlighters to call out THEIR birthdays on the calendar.

Job change?

Whether retiring or changing jobs, you'll want to know your retirement account options.

There are four potential options for your 401(k) when leaving an employer:

- Leave it in your former employer's 401(k) plan, if allowed by the plan.
- Move it to your new employer's 401(k) plan, if you've changed employers and your new employer plan allows for it.
- Roll the account over to an individual retirement account (IRA).
- Cash it out, which is subject to potential tax consequences.

We can talk through your financial goals and find the option that works best for you.
