

A scenic photograph of a park in Twinsburg, Ohio. In the background, a white church with a tall steeple and a large, tiered stone monument topped with a statue are visible. The foreground is a lush green lawn with several large, leafy trees. A flower bed with red and white flowers is in the middle ground. The sky is overcast.

A MESSAGE FROM MAYOR SAM SCAFFIDE

Dear Twinsburg Residents,

Welcome to the Town Planner Calendar, an exciting new resource to keep you informed and engaged with everything our wonderful city has to offer! The City of Twinsburg is proud to partner with the Town Planner as part of our commitment to staying connected with you.

Each month, the calendar highlights links to our city’s top events, helping you stay in the loop about what’s happening in Twinsburg. In the center of the calendar, you’ll also find a helpful list of important dates, including events and deadlines. From the Memorial Day Parade and Ceremony in May to the world-famous Twins Days in August and our festive Holiday celebrations, Twinsburg is bustling with events and activities for everyone to enjoy all year round.

This calendar complements other resources we’ve developed to enhance communication with you, including the Together Twinsburg website and our quarterly Together Twinsburg printed newsletter, delivered right to your mailbox.

As your Mayor, I have worked to lead Twinsburg into a new era of transparency and open communication. We’ve embraced initiatives to make our city more accessible, such as:

- Live-streaming and archiving public meetings so you can stay informed about city decisions anytime, anywhere
- Sharing timely updates through multiple platforms, including our website, cable channel, digital newsletters, and now a printed newsletter and Calendar
- Maintaining an open-door policy—my office is always available to meet with residents and businesses to hear your thoughts and concerns

Twinsburg is an extraordinary community, and your feedback plays a vital role in making it even better. Whether it’s sharing an idea, voicing a concern, or celebrating something you love about our city, we value your input and use it to guide decisions that affect us all.

My goal is to ensure you’re informed about the resources and opportunities available to you while reinforcing our ongoing commitment to being open, transparent, and accountable. Together, we’re building a stronger, more connected Twinsburg for everyone.

Thank you for being an essential part of what makes Twinsburg such a great place to call home.

Warm regards,

Mayor Sam Scaffide

A WORD FROM THE PUBLISHER

Dear Friends and Neighbors,

The New Year has arrived and with it the arrival of another edition of your Town Planner.

I continue to strive every single year to present a calendar, that not only represents your community, but the small business community within it.

As the years go by, the increased presence of internet media opportunities also grows and many ask how the calendar continues to be so popular.

It not only survives but thrives for a variety of reasons, not the least of which is trust. Over 80% of print advertising is trusted by consumers when making a purchasing decision. In your community, you KNOW and trust these small businesses that support You by supporting the calendar.

Credibility is so important for anyone you purchase from and the small businesses that make up the Town Planner are your friends and neighbors...not huge corporations with no ties to the community. These businesses continue to support your community through the calendar because it is cost effective to them and they are offer opportunities through the calendar that often times are unique.

The calendar continues to be the most effective way for you to support your local businesses and for you to support them. After all...would you rather support these small businesses or have cities that all have the same restaurants and box stores? I think the answer is clear.

I will always be grateful for the opportunity to fight for small businesses and the communities they serve.

Enjoy your 2025 Town Planner and always feel free to reach out to me at 440-846-3633.
