Dear Friends and Neighbors,

Welcome to the 2025 Town Planner Calendar and its 39th year of publication! Message from the Superintendent

As we progress through another exciting school year, I am continually impressed by the energy and enthusiasm our students, staff, and community bring to the Westlake City Schools. We've already celebrated many achievements this year, and the months ahead hold even more promise as we continue to work together to empower every student in our district.

This year, we are expanding on the foundation of excellence you've come to expect, with new programs designed to further enrich the educational experience. From increased vocational opportunities to a stronger focus on inclusivity through initiatives like Unified Sports and Demon Brew, Westlake remains committed to meeting the needs of every learner.

Our students continue to excel, not just in the classroom, but as leaders in our community. They embody the values we hold dear—integrity, resilience, and a passion for lifelong learning—and their accomplishments remind us of the incredible potential within each of them.

We are also deeply proud of the ways our schools continue to give back to the Westlake community. Whether through service projects, collaborative events, or student-led initiatives, the spirit of giving and connection is at the heart of everything we do.

As we look ahead, I encourage everyone in the community to stay involved with our schools, whether it's attending an athletic event, supporting a student initiative, or simply cheering on the remarkable young people who make up our district. Your support is crucial to our collective success.

Thank you for being an integral part of the Westlake family. I look forward to all that we will achieve together this school year.

With Demon Pride,
Dr. Scott Goggin
Superintendent, Westlake City Schools
