Dear Friends
& Neighbors,

It is my pleasure to present the 22nd annual West Shore Town Planner Community Calendar. This is my 7th year of publishing after purchasing the franchise from Kathy Weaver who is still a resource for me. This will be the 3rd year delivered into York 17403.

This community resource print calendar along with our website and our weekly email newsletter are made possible by our advertising sponsors; businesses and organizations who care about our community.

Now more than ever these very same businesses need your support. Before you purchase any products, goods or services we respectfully request that you give consideration first to those businesses who make your Town Planner Calendar possible and even to let them know why and mention the calendar.

My thanks to Meredith Kaminek and Kathy Zeigler for their professional photography skills. Also, many thanks to Kyle Welker, our graphics artist who collaborates with me on the ad creativity.

I personally want to thank all my present sponsors who supported me with increased sales every year since becoming a Town Planner Community Calendar franchise owner.

2027 sponsorship reservations are now available. Put your business "On Display Every Day."

Finally, be sure to enter our Annual Sweepstakes contest via our website.

Have a healthy and prosperous year.

Joe Glitz
Local Business Owner

These businesses make this calendar possible. Please make it a point to thank them for supporting this community endeavor. Shop local and make a difference in our local economy. Pick up extra calendars at participating businesses.
