Dear valued customers, friends, and neighbors,

We are pleased to present the 21st annual Town Planner calendar. We are thrilled to announce that our first "solo" year of our program has been a resounding success! Throughout the year, we've had the privilege of connecting with numerous new businesses and witnessing the incredible impact of dedicated entrepreneurs in our communities. It has been inspiring to see so many driven individuals working passionately to create positive change and contribute to the growth and vitality of their local communities.

The innovation and commitment demonstrated by these entrepreneurs have truly highlighted the potential within our communities. We are honored to be part of their journey bringing them into your homes through this community calendar which is made possible by the generous support of advertising sponsors, businesses, and organizations who care about your community! Please give consideration first to the businesses who make your Town Planner possible.

We look forward to continuing to support and collaborate with these businesses who are making such a meaningful difference. We would also like to welcome any new businesses to the Town Planner family! Make it our business to help get your business noticed!

On behalf of all who make the Town Planner possible: Mark, Kevin, Colton, Christie, Sierra, Chelsea, Shelly, the photo contributors, and the advertising sponsors, we wish you a happy, healthy, and prosperous new year!!
