A photograph of a deer standing in a lush green field. The deer is positioned in the middle ground, facing the camera. In the foreground, a small brown rabbit is visible, partially obscured by the tall grass. The background is filled with dense green foliage and trees, creating a natural, wooded setting. The overall scene is vibrant and captures a moment in nature.

### Dear Friends and Neighbors,

I am proud to present the 2025 Town Planner Community Calendar. This FREE guide is made possible by the local businesses whose sponsorships and coupons are displayed each month. *Let these businesses know, through your patronage, that you appreciate all they do to make our community great!*

Want to be in-the-know about area happenings? It's easy with the Town Planner eNewsletter, and Town Planner Facebook page! Sign-up for the eNewsletter at [TownPlanner.com/newsletter](http://TownPlanner.com/newsletter), or use the QR Code below. Each week you will get an email containing a look-ahead on events. It is a great reminder for brush pick-up, no school dates, weekend festivals, and other happenings. Like us on Facebook at [Facebook.com/TownPlannerDaneCounty](https://Facebook.com/TownPlannerDaneCounty), or use the QR Code below. Be in-the-know!

My goal is to provide the most comprehensive and accurate community information. This is YOUR Town Planner Community Calendar. Please let me know if there is anything I can do to make it better.

On behalf of the entire Town Planner family of sponsors and supporters, I wish you the very best in the coming year.
