# McFarland Public Works

5115 Terminal Dr • McFarland  
608-838-7287 • [public.works@mcfarland.wi.us](mailto:public.works@mcfarland.wi.us)

## Brush & Yard Waste Drop-Off

The Village offers several methods of disposing of yard waste and brush.

The yard waste and brush drop-off site is located at the Public Works Facility on Terminal Drive and accepts yard waste and brush from McFarland residents. The drop-off will be open by April 1, 2026.

The drop-off site is open seven days a week from 7am to 7pm. Please stack materials as close to the back wall as possible to conserve space.

A reminder that absolutely no holiday wreaths are to be dropped at the drop-off site due to the industrial-strength wire.

**Accepted Materials:**

Brush, no larger than 6 inches in diameter and 10 feet in length • Grass Clippings  
Leaves • Non-woody plants • Thatch

**Not Accepted Materials:**

Appliances • Base Root Balls • Concrete • Dirt  
Lumber • Metal • Rocks • Sod • Stumps • Wreaths

**Free Mulch!**

From time to time, we have free mulch available for any resident to use for gardening and clean-up. The free mulch largely comes from village tree-cutting and mulching efforts, which typically take place in the spring and fall months. Call the Public Works Department in advance to see if any mulch is available.

## Yard Waste Collection

The Village offers a fee-based curbside collection service for yard and garden waste. A one-time use, non-expiring \$2 sticker is required for each yard waste bag, up to 50 gallons, and are available in multiples of 5 from the McFarland Public Works building. Stickers may be purchased with cash or check. If stickers were purchased, please call the Public Works Department to inform the department that bags are available for pick-up.

All materials should be placed into open bags or trash containers by 6am on Monday of the collection week. A single pass through the Village will occur. Each bag must have a Village issued sticker on it in order to be collected. Stickers need to be purchased prior to the week of pick-up.

Collection will accept leaves, garden waste, thatch, grass clippings, non-woody plant materials, and evergreen clippings less than 6 inches in diameter. All materials should be clean of debris.

**Collection Weeks for 2026**

- Spring: Week of April 20
- Summer: Week of July 13
- Fall: Week of November 16

## Brush Collection

All brush should be curbside by 6am on Monday of the collection week, as the contractor will only make a single pass through each zone. Brush should not be longer than 10 feet, less than 6 inches long, or larger than 6 inches in diameter. Brush should be piled neatly along the curb with the cut ends all facing in the same direction as traffic and free of waste that could clog the chipping equipment.

**Collection Weeks for 2026**

## Dear Friends and Neighbors,

I am proud to present the 2026 Town Planner Community Calendar. This FREE guide is made possible by the local businesses whose sponsorships and coupons are displayed each month. *Let these businesses know, through your patronage, that you appreciate all they do to make our community great!*

Want to be in-the-know about area happenings? It's easy with the Town Planner eNewsletter, and Town Planner Facebook page! Sign-up for the eNewsletter at [TownPlanner.com/newsletter](http://TownPlanner.com/newsletter), or use the QR Code below. Each week you will get an email containing a look-ahead on events. It is a great reminder for brush pick-up, no school dates, weekend festivals, and other happenings. Like us on Facebook at [Facebook.com/TownPlannerDaneCounty](https://www.facebook.com/TownPlannerDaneCounty), or use the QR Code below. Be in-the-know!
