## What are Chamber Bucks?

Chamber Bucks are local gift certificates issued by the Stoughton Chamber of Commerce. They work just like cash and can be used at a wide variety of Chamber member businesses - restaurants, shops, salons, service providers, and more.

They're a flexible gift because the recipient chooses where to spend them, and they're community-friendly because every dollar stays local, supporting Stoughton businesses and the local economy.

Think of Chamber Bucks as a "shop local" gift card that never goes out of style.
