Dear valued customers, friends, and neighbors,

We are pleased to present the 21st annual Town Planner calendar. We are thrilled to announce that our first "solo" year of our program has been a resounding success! Throughout the year, we've had the privilege of connecting with numerous new businesses and witnessing the incredible impact of dedicated entrepreneurs in our communities. It has been inspiring to see so many driven individuals working passionately to create positive change and contribute to the growth and vitality of their local communities.

The innovation and commitment demonstrated by these entrepreneurs have truly highlighted the potential within our communities. We are honored to be part of their journey bringing them into your homes through this community calendar which is made possible by the generous support of advertising sponsors, businesses, and organizations who care about your community! Please give consideration first to the businesses who make your Town Planner possible.

We look forward to continuing to support and collaborate with these businesses who are making such a meaningful difference. We would also like to welcome any new businesses to the Town Planner family! Make it our business to help get your business noticed!

On behalf of all who make the Town Planner possible: Mark, Kevin, Colton, Christie, Sierra, Chelsea, Shelly, the photo contributors, and the advertising sponsors, we wish you a happy, healthy, and prosperous new year!!

The Mineral County Chamber of Commerce is proud to partner with the Town Planner Community Calendar, which is provided to Mineral County residents free of charge. This calendar is an excellent resource for information and events occurring throughout Mineral County and the tri-state region. The publication also provides business owners an opportunity to place an ad or coupon on a wall calendar that will be visible to prospective consumers 365 days a year.

The Town Planner's mission is to bring people together by sharing information about events and by giving businesses an opportunity to promote their products/services for the betterment of the community. The Town Planner's mission provides an excellent foundation for the Chamber's mission—which is to partner with businesses and professionals to build a healthy local economy and help improve the quality of life in Mineral County.

We are grateful to the Town Planner for the benefits and opportunities they provide to our members as well as to all Mineral County residents. We are also grateful to those businesses, organizations and individuals who are part of our growing Chamber. One of the many benefits of becoming a member is the great networking opportunities at events such as Mineral County Day, Annual Legislative Dinner, Summit Awards Banquet, Chamber After-Hours, ribbon-cuttings, etc. We invite those businesses and/or individuals who are not yet members to visit the Chamber's website (mineralchamber.com) to learn more about the benefits of becoming a Chamber member.
