Dear Barb and Rich,

This is our first year in the Town Planner, and it provides a great service to our community.

The Town Planner is such a great opportunity for the people of Lake County. I love the \$1000 Local Shopping Spree contest. The contest entry form gives our family business, "Partners In Senior Care" a market edge because Barb and Rich are planning to sit down with our family and give us the postcards from all those residents who indicated that they are interested in "Senior Living / Services". I just can't wait to see how many leads I get from this valuable resource.

We love the calendar!

Thank you,

Angie Landmesser
Manager

Home. We understand why you want to stay.

You ask yourself, "How can I remain in the comfort of my own home, yet remain safe? Is there anyone who can just 'check in' on me?"

Partners in Senior Care can help you with caring companionship. We can also help with your everyday personal needs such as cooking, shopping, driving to appointments, laundry and personal care.

Our team of professional Geriatric Care Managers can take you to doctor appointments, be there for crisis management or just to "check in."
