Hi ,

My name is Nicole Brown and I live in Hermitage, TN. I just wanted to say I got this Town Planner in my mailbox today and normally I throw away all the Coupon Mint, Clippers and Coupon fliers or whatever that comes in the mail but this caught my eye because it was Brilliant, Clever and works for me! Since I now know what's happening in my community, I will participate and be more involved. I am so excited to use this Town Planner in my home. This is the Bomb! ! Thanks again.

Happy New Year,

Nicole , London and Zachary
