

Dear Joyce,

When you first approached me back in 07 regarding advertising in the Town Planner I was a bit hesitant because I didn't know if it would work, but I gave it a try. Well I'm happy to say that I haven't regretted that decision to date!

I've been getting about 5 to 10 coupons per day from the Town Planner for the last 3 years! Thank you for bringing such a unique advertising medium to Elk Grove! I look forward to continued success in 2011.

Sincerely,

Helen D. Doranian
