Dear Richard,

Choosing to take up ad space in your 2015 Gurnee and Grayslake village calendars has been a great decision. We've already received at least 4 new clients and the calendars only been out for just under 3 months! It goes to show that a small investment in a great local marketing product can really pay off.

We would definitely recommend that anyone and everyone take advantage of the unique and effective marketing tool that you provide. We look forward to seeing how much more business the Town Planner ads bring us for the remaining 9 months of the year!

Thank you so much for your recommendation to advertise our business in the Gurnee and Grayslake Community Calendars!

Sincerely,

Alison Dalton
