Dear Barb and Rich,

Libertyville Carpet & Upholstery Cleaning/LHC received two phone calls the first week that the calendar was out! From this we landed two jobs, and the profit margin from these jobs will pay for the Town Planner's annual subscription.

Even before we were a sponsor, our family kept the Town Planner hanging in the kitchen, with all our family events and birthdays written on it.

We will definitely renew for next year.

Thank you,

Jeff Keske
