Rich,

I just got done with tax season and wanted to get in touch to generously thank you for recommending we participate in your local calendars. Right now I just grabbed a stack of paperwork on the side of my desk and flipping through them I can already see at least 3 new clients that were brought in by our ads in the Town Planner. What a fantastic product you really have. Marketing for small to mid-sized businesses can be costly and tricky but you make everything so simple and the outcome is more than I could have ever asked.

Thanks again for all you do.

Sincerely,

Mark Wajswol
