Dear Barb and Rich,

This is our third year in the Town Planner, and it provides awareness of the tax savings we offer our clients. We have received six coupons back already, which more than paid for the program, and we at continue to receive coupons. It seems every year we get more and more coupons back. We are in a new location this year and in another community and we still experience an increase in our return with the Town Planner.

Overall, the Town Planner coupon program did get a very good response for us, and we look forward to renewing for 2014.

Thank you.
