Carol Shellock
Town Planner of Bucks County
Warrington, PA 18976

Dear Carol,

The Town Planner just won't keep my phones silent! I received an immediate response the week the calendars were mailed and by the middle of January have already obtained four new clients—two of them businesses. I wasn't sure that people would select an accountant from a calendar, but I believe that including my photo as you advised is giving them a chance to feel comfortable with me before they call. You've been extremely easy and friendly to work with and I've reserved my space for next year!

Best Regards,

Mike Tamny
