Dear Bill:

I wanted to take a minute to put in writing what I have already told you, which is "WOW! and congratulations".

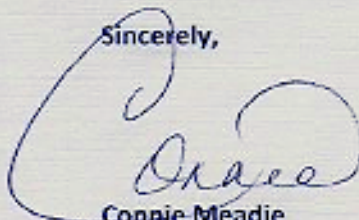

Your 2012 Lake Villa - Lindenhurst Town Planner Calendar is a great service to our local communities. I know people love having local events already on their calendars. The resource numbers and websites on the back cover, the school events and other daily information, along with the coupons and services offered by area businesses and professionals are so handy. They can't help but be useful for both our local residents and the businesses who have made this possible. Plus, the photography is just beautiful and reflects the area.

I have had several business owners tell me how excited they are to be involved in this type of advertising. I have also had others who are local residents not only mention it but ask me where they can get another one. I'll say it again; the community just loves it, it's a great product.

Thank you for the hard work it took to make this happen. You must be so proud.

I am already looking forward to the 2013 calendar.

Sincerely,

Connie Meadie
