July 1, 2008

Dear Chamber Member,

We are pleased to announce our support of The Ocean State Town Planner Community Calendar, a new service in our area that benefits both our members and the entire East Providence community.

The 2009 Town Planner calendar is an excellent community resource that provides our residents with valuable information about community events and activities, schools, emergency and important local phone numbers, Chamber events, as well as money saving offers from local and statewide business sponsors. This full color calendar will be mailed out FREE to families in the area in December.

The East Providence Area Chamber of Commerce considers the Town Planner a partner in the community. The Town Planner's goal is to give East Providence residents the most complete community information and value while promoting local businesses. They will also be publicizing our chamber events both in print and online and have made complimentary ad space available every month in the 2009 edition to promote our activities and increase awareness of the Chamber.

Chamber members have the first chance to secure exclusive ad space on the calendar at a discounted rate through the Chamber's Member-to-Member Discount Program. The local publishers will be contacting you in the near future to see if you wish to become an advertising sponsor. We encourage your support of this valuable community resource publication!

Also, if you have any specific non-profit activity or event that you would like to have publicized to the East Providence community, or if you have any questions about the calendar, please call Brenda your local publisher at 401.944.2134 or email oceanstatetp@townplanner.com no later than September 15th, 2008.

Sincerely,

Laura A. McNamara, executive director
