Did You Know...

There are over 100
forms of arthritis

30 January 2008

Dear Mr. Nelson,

Please accept my sincerest thanks for your addition of the Arthritis dates and facts on the Town Planner calendar. On behalf of the 46 million million Americans, ~~at~~ 300,000 of whom are children, we appreciate your efforts in helping us raise awareness about arthritis and thereby, funds for research, programs and services.

Gratefully,
Pamela Byrd
