Dear Perry,

Thank you very much for your help with getting the word of the Red Cross out. As we celebrate ninety years of service in the Greater Nashua & Souhegan Valley this year, we have much to be grateful for. We count your generous support as a significant blessing for this Chapter, as well as the many individuals and families we serve each year.

We have received very positive feedback from our clients in regards to the calendar. It is nice to see the coupons come in from the surrounding towns that we serve. It is very important to for us to reach out to the community so that they can get to know us before they need us. The calendar is a great tool for us and we are very thankful for your service.

The work of our Chapter continues each and everyday because of you and people like you, who share our commitment to serving our community; assisting victims of fire, flood and other disasters. Last year we served over 300 people in their time of need. It is because of people like you who support our local chapter that we are able to do this. As we take a moment to acknowledge our past achievements, and look forward to find new ways to meet the needs ahead of us, please accept our deepest thanks for your kindness and your steadfast support.

Very Truly Yours,

  
Karen Dudley  
Development Coordinator
