CHIROPRACTIC & MASSAGE

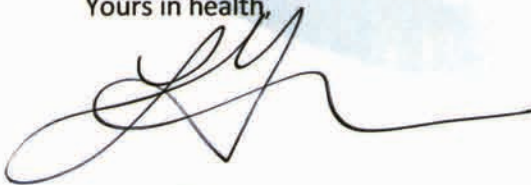

Scott,

I just really wanted to say how impressed we are with your Town Planner. I have to admit that we were a bit skeptical about advertising in a calendar that was delivered outside our immediate area at first. I can say this skepticism has been replaced by delight! We have already had several people come in specifically stating they saw us in Town Planner and came in off the coupon we offered.

This has been a very pleasant surprise and needless to say we plan on continuing our partnership with Town Planner in the future. A majority of the people who come in off the promotional coupon featured have become repeat customers and have fallen right into our targeted demographic. I think it is safe to say that within the first month the money spent on advertising had already been recouped.

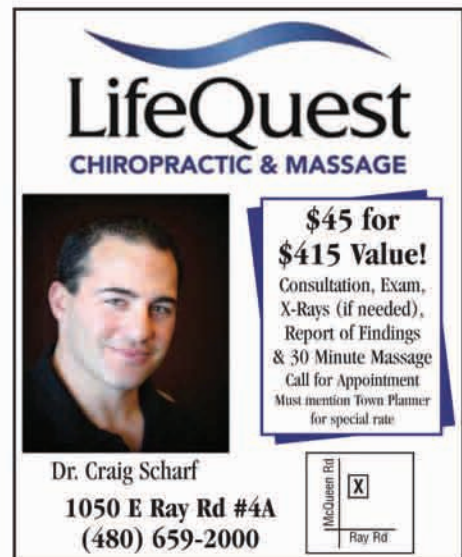

Thank you for reaching out to us and suggesting our partnership.

Yours in health,

Leanna Glenn
