Working with Mandi Pooler at the Lafayette Town Planner has been greatly beneficial in our marketing. I have really enjoyed her organized and informative efforts to help us at Plato's Closet and her hard work.

Not only is it great working with Mandi, but the business her ad placement brings in for us is excellent! We place two coupon offers in the Lafayette Town Planner Calendar. Often customers bring these to our store to get the \$5 off or 20% off! It is wonderful for our business and we are very pleased to see these marketing efforts are paying off through our ad placements in the Lafayette Town Planner.
