*Your One Stop Wedding Planners*

March 30, 2012

I am writing this testimonial on behalf of Randy Spellman and the Bridgeport Town Planner community calendar. At Oliverio's Bridal, we constantly need to keep our name in front of the Bridgeport community and we have found that our display ad in the Bridgeport Town Planner has been instrumental in achieving this objective.

The quality of the calendar and the distribution to every home and business in the greater Bridgeport area are valuable assets to our business. We are proud to be in the Bridgeport Town Planner and look forward to working with Randy in the future.

Sincerely,

*Angela Patsy*
