

Cartridge World®

02-14-08

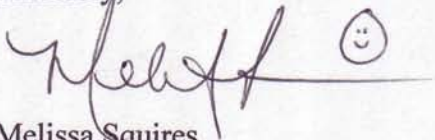

Dear Terie,

Thank you for including us in the 2008 edition of the Town Planner Community Calendar. It is awesome! I am very happy that we participated. The response has been immediate! Even before the new year we started to get redemptions. We have had current customers come in but more importantly it is bringing in new customers, some who live right around the corner from us that say they didn't even know we were here!

I was surprised at how easy the process was, and appreciated how you handled everything including the artwork and ad design. From start to finish this has been a pleasant experience.

The Town Planner has been the most successful marketing program we have done so far. I would recommend the Town Planner to any business owner who wants top of mind awareness in their local community. **It is our pleasure to renew for the next 2 years to ensure our place within this effective marketing tool.**

Sincerely,

Melissa Squires
