Bridgeport Town Planner
Bridgeport, WV 26330

Dear Randy,

I just want to say thank you for allowing our family owned company to be a part of the 2012 Bridgeport Town Planner community calendar. Being family owned it is important to us to be involved in the community. Our premium display ad has allowed us to be in every home and business in the Bridgeport area at a very affordable price.

The quality of the calendar, the mass distribution, the community pride and the affordability all makes advertising in the Bridgeport Town Planner an easy advertising decision. In addition, already this year we have seen phone calls from this area and were told they found us in the calendar. Just a couple extra jobs per year make this a very profitable investment and we have seen that already and it is only April. Again, thanks for the opportunity and we look forward to working with you for years to come.

Respectfully yours,
