

March 12, 2007

Dear Tom,

Just a note to let you know how pleased we are with the results we have had with advertising in the Town Planner. In just the month of February alone we got over ten new clients from the Calendar. Needless to say, we are extremely happy and are looking forward to "locking-in" our spots for next year's distribution.

Sincerely,

  
Mario Godinez, D.D.S.
