Dear Barb, Rich, and Patricia,

We are looking forward to participating in the Grayslake Town Planner Community Calendar for our fifth year.

I especially appreciate that the company representatives are always very professional, accommodating, and respectful of my time. They are also always on-top of things (which is rare!)

Also, we've found that the product allows us to market to a very targeted area and helps build our reputation in the community.

Because I personally live and work in the community where we advertise with the Town Planner, I feel strongly about supporting the local calendar.

As an added bonus, the pricing is very reasonable.

Sincerely,

Rebecca Diestelow  
 Mathnasium Franchise Owner
