We have been very pleased with the results of advertising with The Town Planner over the last 4 years. Each year we include a coupon for savings on the application fees for new families to enroll their child at Metrolina Christian Academy. We have been told that the reason they enrolled was because a neighbor saw the coupon and knew there was a new family moving in, so they saved it for them to use. Some of our current families give it to friends that are considering MCA. It has been a great way to encourage families to consider Christian education here in Union County!
