

"Enrichment Education for Tomorrows Leaders"

Dear Alden,

I just had to write to tell you how delighted I am with the success of my coupons in your Naperville Town Planner calendar! In just six weeks I have had three coupons redeemed, more than paying for the cost of running the coupons for the entire year. I can't wait to see what happens with the other two coupons!

I have tried many different venues for my ads, and your calendar seems to be a good fit for my business. Many people have said that they use the calendar all year long, and I love the fact that they see my FasTrackKids logo every day for the whole month.

I am definitely going to encourage other local business owners to give you a try. Even if they don't see the same fantastic results as I did, I know it will be a benefit to have their company name in so many homes, as well.

To continued success,

A handwritten signature in black ink that reads "Terri Hubbard". The signature is fluid and cursive, with a long horizontal stroke at the beginning.
