Dear Richard,

With Patricia retiring from the Town Planner, I now work with Richard.

We have been on display 24/7 in Grayslake, Gurnee, and Libertyville since 2012. It's incredibly beneficial that each year you increase your circulation numbers. Not many print mediums I've experienced have that ability.

The exposure and branding that the calendar provides is very helpful as its targeted locally, where it really counts.

Thank you Town Planner!!!!
