To Whom It May Concern:

My name is Spencer McLean I own McLean Electric Co., Inc. in Meridian Idaho. I advertised in the Town Planner in 2008 and found it to be very valuable to my business. I have done TV, Radio, and print ads in the past and it seemed to me that the best response I have had on all of my advertising investments has been with Marlene and her Town Planner.

I am most defiantly going to advertise again in the 2009 Town Planner and would recommend it to anyone that is looking for somewhere to get their business name out in the public eye.

Sincerely,

Spencer McLean
President
