Jeff Gordon
Ajax Town Planner

March 12, 2012

Dear Jeff,

I would like to commend you for your process and suggestions for our advertisement placement in the Town Planner for 2012. I am very happy to know that I am in 30,000 households in the Ajax area with our message being brought to this demographic group month after month as we smile from the calendar.

Your tenacity led the way to a second year of advertisements in the Town Planner that I hope will bring more recognition from the residents of the Ajax area and of course more business for our services during the year.

I also would like to commend you on including access to your internet Calendar for our events as they come up during the year. This has come in very helpful for advertising seminars during the year.

Thanks you for your hard work on this for this calendar year of 2012. I will not hesitate to recommend this service to other businesses in the area to get the word out on their business.

Best regards,

Rosemary McCanny CFP
