Your best choice for a better body

03/02/10

Anne,

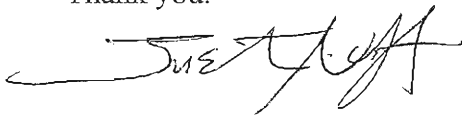

Better Bodies advertised in the 2010 Town Planner Community Calendar.

I know that consumers are seeing my ad in the calendar because when they come into my facility they mention they saw it in the Town Planner.

In the personal training business, people come in when the time is right for them. With the calendar being on the wall all year, they still see my ad when their ready.

I am very pleased with the results and am looking forward to participating in the 2011 Town Planner Community Calendar.

Thank you.
