

YMCA
Of Central
Kentucky
SINCE 1853

The YMCA has been working with Town Planner for a couple of years and we have been impressed by the quality of the product and their commitment to finding the right fit for our association. We have been treated like their only advertiser and every year we're pleased -- but no longer surprised -- by the impact of our ads and coupons in the calendar. The Town Planner has shown a genuine interest in helping our organization succeed and we look forward to continue working with them in the future.
