Dear Steve:

I would like to take this opportunity to thank you for introducing the Cumberland YMCA to the Town Planner.

We have had numerous guests visit our facility with the free guest pass from the calendar— with many becoming regular members! This is a great way to introduce people to the Cumberland YMCA and the many programs and services that we offer. YMCA members also enjoy the other valuable information in the calendar.

Our experience with the Town Planner has been great! You are a pleasure to work with! Thanks for helping the YMCA build strong kids, strong families, and a strong community!

Sincerely:

Shelly Minnich
YMCA Member Services Director
