We build strong kids,
strong families, strong communities.

July 15th, 2010

Marcia & Staff,

I just wanted to let you know that you and your staff at the Town Planner are truly phenomenal. Not only have you been professional and diligent, but you really have a pulse on what is happening in the community. I understand that the Town Planner is more than a calendar to you- it's helping the community connect with each other to facilitate and foster stronger relationships. We have been very pleased with the exposure and positive feedback we have received, as well as the numerous people from the community who have stopped by the Y to redeem their coupons. It has helped us grow tremendously and we are looking forward to continuing our partnership in the years to come.

Thanks,

Nick Errato
