

Curves

March 15, 2007

We are very excited about what the calendar is doing for our business. I believe that the response from consumers has allowed us to re-coop our investment already. We really believe that the calendar fits our image and does stay in a vast majority of homes that receive it. We are pleased to see you expanding to other areas where we own Curves locations.

Thank you for including us in your publication. We are eager to re-new our sponsorship with you for 2008.

We appreciate you efforts and support.

Sincerely,

Jodie Gray
