

Dave,

I must say I'm so glad to have made the decision to participate in the 2011 Somerset Edition! As I sit here, the 3rd week in January, the investment I made has already paid for itself! The coupons we did were for "NEW STUDENTS ONLY" so the business generated is new business and represents the potential for ongoing revenue!

I had a good feeling when you first presented the Calendar to me. The Town Planner is direct mailed to everyone in the community. They keep it and use it daily and that gives my business the best chance to be seen! I couldn't be happier!

Sincerely,

Barb Hauger.
