To Whom it May Concern,

I want to compliment Randy Spellman, publisher of the Bridgeport Town Planner on a quality calendar that is welcomed by all who receive it free each year. It is amazing to see the calendar hanging in homes and businesses around Bridgeport. I have been an advertiser in both the 2011 and 2012 edition and have found it to be very helpful in attracting customers.

As a florist, it is very important to keep your phone number right in front of the public. The Bridgeport Town Planner accomplishes this in a very professional manner. Also, the local photographs are a great touch. Thanks for publishing such a great calendar and keep up the good work.

Sincerely yours,

*Milda Oliverio*
