Dear Barb and Rich,

This is our third year in the Town Planner, and our photo and standard display ads really brand our name throughout Grayslake and the rest of Lake County!

The Town Planner program is so unique and is on display in so many of the homes in Grayslake. I am currently one of the few attorney's and I feel it really makes me stand out. With my photo in the calendar for so many years now I know people recognize me. Let's face it people do business with people they know like and trust. I feel that is what the calendar does for me and my firm.

Thank you.

Robert Hockemeyer
