To whom it may concern:

Mr. Brian Burnstein reached out to our Maple Grove, Minn., location in the autumn of 2012 just after our location opened. His strong knowledge of his product and clear passion for it helped me, the store owner, feel comfortable making the decision to place ads and coupons in the Town Planner calendar for 2013. I feel the investment has been worthwhile; the coupons have been successful as we have seen many first-time customers with coupons in tow. The calendar has been a significant help in spreading the word about our new store in the neighborhood. Mr. Burnstein's demeanor, high level of professionalism and ability to deliver a quality product make him a clear asset to his franchise. I wish continued success for the Town Planner and will continue to work with Mr. Burnstein as a loyal customer.

Sincerely,

Garrett Ebling  
President
