

Cheese Steak Restaurant

Dear Joyce,

I want to let you know how happy I am with the Town Planner of Elk Grove. My response from my coupons is fantastic and consistent!

Your calendars have a lot of value and information in them. I like the fact that my ads are in front of my customers 24/7, and because of all of the different aspects the calendar has, they do not get tossed out, and are used daily.

I would recommend your calendar to any business!

Thank You,
Rana Saeed
