

Crepe Escape

Joyce,

Placing my advertising in our local Town Planner Calendar is more than worth the money. I am very happy! I have had a GREAT response, in both of my locations, and it is consistent. Infact, it is definately MORE than what I expected! I have renewed for 2011 and increased my sponsorship.

I like the fact that the calendar is all about our local community, and people hang it where they see it and use it often. It is very useful and full of important information. Thank You for coming to see me last year.
