

**Celebrating 22 Years!**

# EXPRESS CAFE

Marlene,

Just to pass one the information we discussed the other day. After 22 years of business, to have a new record month is always welcome. And in this economy of the last 6 months or so, is even more exciting. January 2009 our sales surpassed all of our Januarys of the past. One of the big reasons is the Town Planner Calendar. We had a record number of coupons redeemed. I will continue to use the Town Planner as I have in the past. I cannot imagine going in to a new year without them.
