

June 20, 2008

Marlene,

I just wanted to extend my gratitude for giving Red Robin the opportunity to be in your Town Planner for the last 2 years. Your calendar has proven to be very affective. We receive numerous coupons daily. It is a great way to get new guests in the door while allowing our patrons to receive discounts. We have really enjoyed being in the Town Planner and I strongly recommend it for new businesses as well as established corporations.

Again thank you for your wonderful service and a great opportunity to build our business.

Sincerely,

Jessica Perry

General Manager
