Dear Barb and Rich,

We continue to grow our business here at Bakers Square with the help of the Town Planner. Our location here in Gurnee, IL, has the highest sales volume of any other Bakers Square in the nation, and the Town Planner gives us the best response of any other local advertising we have done.

The same offer appears in both a coupon and a standard display. Both of these positions, do equally well.

Bakers Square in Gurnee is looking forward to our third year with the Town Planner in 2015.

Thank you,

Michelle Kenzer, General Manager
